Entered at the Ocala Postoffice as second class matter.

Rev. Chas. E. Powell, so well known and kindly remembered in Ocala as the pastor of the Christian church, who moved from here to Shelby City, Ky., has received a call and accepted same at Fulton, Mo. He began his labors in his new field October 1.

During the week the rival spell binders, Bryan and Roosevelt, have cut a tremendous political swath. Bryan has gone through Nebraska, the Dakotas and Minnesota and attended the tremendous national democratic club rally at Indianapolis Wednesday. His trip demonstrated that he was as popular as ever. The republican nominee for vice president, Teddy Roosevelt, had an equally successful trip through Kansas and Nebraska. In two days in Kansas, it was computed, he addressed 175,000 people.

At the Coliseum in Kansas City 22,000 people waited three hours to greet the Rough Rider. At Lincoln, Neb., Tuesday, the largest crowd that ever assembled in that city fairly mobbed him with enthusiasm.

The prohibitionists are also making flying train oratory and the leaders of that party bombarded Wisconsin and feel gratified at the audiences they drew.

Mark Hanna is mounting the oratorical heights in Chicago and branding Dick Croker as Bryan's imperialist.

The Florida School Exponent, the best school journal ever published in the state, after its summer rest of three months, again appears on our desk and is one of the very best numbers of the seven volumes to its credit. May Tom McBeath and his Exponent never grow less in excellence and first class educational ideas.

Young Alfred Gwynne Vanderbilt, who is worth \$50,000,000 and has an income of \$3,000,000 a year, has decided to learn railroad engineering and will begin at the foot of the ladder in the offices of the New York Central railroad.

It is exasperating to one who knows Foley's Honey and Tar, and knows what it will do, to have a dealer recommend something else as "just the same" or "just as good" for colds, coughs, croup, la grippe, etc. Anti-Monopoly Drugstore.

## A BRIGHT YOUNG LIFE ENDED

The people of Kendrick were saddened by the death of Miss Maude Nix, October 3, aged twenty-one years, eleven months and twenty-two days.

There is always sorrow in death, but the fell destroyer never placed his signet on human form under circumstances more heartrending than on the brow of this dear girl, whose spirit winged its flight to God, who gave it, 8 o'clock Wednesday morning. She had lain on the bed of affliction only five days, never murmuring, but always submissive to the will of God. She went to sleep as quietly as the evening star sinks to rest on its ocean pillow. She did not shrink from encountering the dark and chilling waves of Jordan. Faith whispered that she would.

"Land on that happy shore, Where billows never break and tempests never roar."

"I saw her when they laid her down Upon the silent bier, And many heaved the throbbing sigh

And shed the bitter tear. Low in the silent dust she sleeps, Free from all toil and strife, Till, started from the dreamless rest, She wakes to endless life."

Z. F. J.  
Kendrick, Fla., Oct. 4, 1900.

## EATON - MARTIN

Acts and scenes one to four, from the arrival of a man to the departure of a bride and groom, brought to a happy conclusion the wedding of Mr. Guy M. Eaton and Miss Lucile E. Martin Wednesday evening, October 3, at the residence of Mr. and Mrs. R. L. Martin. Only immediate relatives and neighbors witnessed the ceremony, which was performed by Rev. W. W. Jones, of Candler, and enhanced by music under the able performance of Miss A. Ferrell Eaton, sister of the groom. The bride carried a large bouquet of bride roses, which formed a pretty combination with a very beautiful costume of white organdie, trimmed with white satin ribbon and lace. The groom was dressed in conventional black.

Jacksonville will be the future home of the happy couple, for which point they left immediately after the ceremony, a carriage taking them to Ocala, where they spent the night, leaving by the Plant System train next day.

The groom, Mr. Eaton, was the Star's bright, interesting and model correspondent at Weir Park ere he took up his residence in Jacksonville and we wish him and his sweet, fair bride a world of happiness and prosperity.

Prof. McCoy, of Gaiter, who took his family to the mountains of Georgia this summer, will not return, but remain at Belton, Ga., a year, having secured a position as teacher in one of the schools at that place.

## HIS LIFE WAS SAVED

Mr. J. E. Lilly, a prominent citizen of Hannibal, Mo., lately had a wonderful deliverance from a frightful death. In telling of it he says: "I was taken with Typhoid Fever, that ran into Pneumonia. My lungs became hardened. I was so weak I couldn't even sit up in bed. Nothing helped me. I expected to soon die of Consumption, when I heard of Dr. King's New Discovery. One bottle gave great relief. I continued to use it, and now am well and strong. I can't say too much in its praise." This marvellous medicine is the surest and quickest cure in the world for all Throat and Lung Trouble. Regular sizes 50 cents and \$1. Trial bottles at 10 cents at Garrett & Gerig's and all other drug stores; every bottle guaranteed.

## Health and Beauty

For generations women have been taught that "beauty is only skin deep," but, like many proverbs, that will not stand. Beauty is blood deep. There can be no beauty without health. Our grandmothers, looser to nature than we do, and they so sheltered by their home life that health and beauty were theirs naturally. Skin foods, freckle lotions and face bleaches were unknown commodities. But there has been a great change in the life of women since then. With broader education and larger opportunities, she has developed mentally at the expense of her health. From the quiet duties of home she has gone forth until now we find her in many avocations of life, which prove too great a tax on her vitality. How sad it is to see the cheek robbed of its color and the eye of its fire. These symptoms nearly always show derangements in the delicate feminine organism. They don't call for bleaches or paints or powders, but for a remedy that will make the afflicted organs strong and well. Wine of Cardui is just such a remedy. Women broken in health and spirit have been made healthy and happy by this Wine. No one should give up to the "blues" until this reliable remedy has been tried. It has proven a blessing to other women and will not disappoint you. It brings that buoyancy of spirit, elasticity of step and lightness of heart which is the corner stone of beauty. A healthy woman is always beautiful.

Westville, February 4, 1899.  
I feel that I must say a few words in praise of the Ladies' greatest friend, Wine of Cardui. It is the most wonderful remedy that I ever tried. I have been a sufferer for years, at times being confined to my bed two or three days each month. A friend recommended Wine of Cardui, and since I have taken it I have been greatly relieved. I intend to continue to take it, for I know it is as recommended. I will use every effort to get others to use it.  
Mrs. MARY E. COOLEY.
